

## **DOES SOMEONE YOU KNOW DESERVE AN HONOUR?**

**Lots of people do fantastic things in their lives but very often they go unrecognised.**

**They may be doing amazing voluntary work in the community, working tirelessly to safeguard the environment, creating lots of employment in a local company, achieving incredible sporting triumphs or helping people to face and overcome health problems.**

**The aim of the Queen's New Year and Birthday Honours is to celebrate all these selfless types of activity. Anyone can be nominated for an Honour at any time and the process is easy to complete.**

**If you know someone whose efforts deserve to be recognised why not have a go at a nomination. You might help the person get the recognition they deserve and it will give you a warm glow in doing so!**

**More information is available at [www.gov.uk/honours](http://www.gov.uk/honours) but perhaps first discuss the possibilities with a member of the Derbyshire Lord-Lieutenant's Honours Panel.**

**The Panel is always happy to help and can be contacted by emailing [debra.heaton@derbyshiredales.gov.uk](mailto:debra.heaton@derbyshiredales.gov.uk) or by telephoning 01629 761126.**
